Black Country Homeforce

Black Country Homeforce, our skilled and professional home improvements team, can carry out repairs and improvements to your home. We have been carrying out home repairs and improvements for people for over 20 years.

We can carry out the following works:

- Plumbing
- Electrical Work
- Gas installation & Servicing
- Doors & Windows
- Roofing
- Kitchens Bathrooms Extensions

We also specialise in fitting aids and adaptations to ensure that your home meets your needs enabling you to live comfortably and independently in your own home. This includes grab rails, ramps, level access showers, wet rooms and downstairs extensions for shower rooms.

If your home is rented you may need permission from your landlord for certain works.
